

# Oblig1 FYS9130

Deadline: Monday 30/8 at 12.00

1. Check out a copy of the paper svn. Add your author name and affiliation to the author list in `paper.tex` (alphabetical ordering for now) and commit your changes to the svn.
2. Write a short essay (max half a page) on the subject *What do I want to have learned by the end of this course?* Use the Phys.Rev. latex style (`revtex`) for writing this, and e-mail the pdf to `ingunnkw@fys.uio.no`

**This first oblig will only be graded on a pass/fail scale.**
